## Ambassadors Foundation

SDAR Ambassadors Foundation and REALTORS® realize the importance of everyday heroes who keep neighborhoods safe and help make San Diego "America's Finest City."

Homeownership is often a challenge for the individuals who protect us on a daily basis, thus preventing them from living near the communities they protect and serve.

The goal of SDAR Ambassadors Foundation is to provide officers who have been on the San Diego Police Department force from 2-5 years and are first-time homebuyers with the opportunity to make the American dream of homeownership a reality.

Through "Everyday Heroes," SDAR Ambassadors Foundation will provide interest rate buy-downs for qualified officers, saving these individuals hundreds of dollars on their monthly mortgage payments and allowing them to own their own homes in San Diego. **Visit [www.ambassadorsfoundation.org](http://www.ambassadorsfoundation.org) for information.**
